

Dear Salaried GP,

Forest View Medical Centre is seeking an enthusiastic and committed **Salaried General Practitioner** to join our established, supportive, and forward-thinking practice for **2 to 6 sessions per week**.

We are a **15,000-patient teaching practice**, shortly consolidating across **two main sites**, serving the North Rhondda community. Our ethos is built on clinical excellence, teamwork, and continuous improvement, with a strong belief that general practice remains one of the most professionally rewarding areas of medicine.

About the Practice, we are proud to boast a **strong multidisciplinary clinical team**, including:

- 6 GP Partners
- 6 Salaried GPs
- 5 Practice Nurses
- 3 Healthcare Assistants
- 3 In-house Pharmacists plus 1 remote Pharmacist
- Mental Health Practitioner (MHP)
- Physiotherapist service

We are an established Training practice with a commitment to GP education and professional development

We have modern and efficient systems:

- EMIS clinical system
- Electronic prescribing
- Total triage via AccuRx to allow the best use of resource improving patient journey and GP workload
- Surgery Connect telephony

NHS Forest View Medical Centre
Forest View Medical Centre, Abergorki Industrial Estate
Treorchy, CF42 6DL

What would you like help with?

Our partners have a wealth of experience and interests including:

- GP education & Leadership
- Medical Examiner service
- Cardiology
- Minor surgery and joint injections
- Transgender Healthcare

So Why Join Forest View?

We believe outstanding general practice is built on **teamwork, professional challenge, and variety**. We value the privilege afforded to us in making a genuine difference to patients' lives. We strive at Forest View to ensure that clinicians are supported, listened to, and encouraged to develop their interests while contributing to a shared vision for sustainable, high-quality care.

Our practice vision is inspired by **Blue Zone principles**, recognising that long-term health is shaped not only by medical care, but by how people **move, eat, connect socially, and live with purpose**. We aim to support our community through preventative, person-centred medicine, encouraging healthy lifestyles and social connection alongside excellent clinical practice.

You will be joining a practice that:

- Values collaboration, mutual respect, and shared responsibility
- Is deeply rooted in its local community
- Encourages innovation and reflective practice
- Supports preventative and population-focused healthcare
- Is committed to continual improvement for both patients and clinicians

So, if your motivation includes **teamwork, challenge, variety, autonomy**, and the opportunity to be **part of something meaningful**, then Forest View Medical Centre may be the right place for you.

Located in the **beautiful North Rhondda**, we offer the chance to practise medicine that is both **interesting and deeply rewarding**, within a supportive team and a community that values its general practice.
