Estuary Group Practice is a large practice with a patient population of 20,500 and 14 friendly GP Partners and a salaried GP. We cover a wide, diverse area from Llanmorlais to Pontardulais and operate across 3 practice sites in Gowerton, Penclawdd and Gorseinon.

We are looking for a GP to cover 6 months Maternity leave, starting in June 2025. This involves covering 6 clinical sessions, which are fixed days Monday, Tuesday and Wednesday and will also involve the allocation of a share of blood results, Docman, Housecalls and On-calls (total 5/6 per quarter).

We are a triage first practice and use EMIS clinical system and AskMyGP. Each clinician is allocated a maximum of 30 consultations per day. There is also the use of Lexicon dictation software for referrals.

Our Practice aims to improve the health and wellbeing of our local community. We work closely with the Medical School and have regular medical student placements, three of our Partners are qualified GP Trainers and so we have regular GP Registrars. Our team of GPs are supported by 1 advanced paramedic, 2 Practice nurses, 1 HCA and 2 pharmacists.

We welcome applications from both experienced and recently qualified GP's. If you feel you are the right person for this position and would like more information, would like an informal chat or wish to arrange a visit please contact:
